Release Notes

December 2022 Release

Table of Contents

Display Highest or Lowest Rate for each Delivery Method

OrderWise Ref:	60714
Menu Option:	Admin | Settings | Checkout & Basket | Delivery
	• Highest Or Lowest Delivery Rate Value For Each Matched Method
Status:	New Development
Platform:	Trade Portal & Layout Editor
Licensed Feature:	No
Detail:	If multiple delivery rates can apply to a delivery method in Checkout, the above setting will determine if the cheapest or most expensive delivery rate is used.

V2 Account – Returns

OrderWise Ref:	59525
Menu Option:	Admin | Settings | Customers | Account Area
	• Enable V2 Account Area
Status:	Enhancement
Platform:	Trade Portal & Layout Editor
Licensed Feature:	Yes (V2 Account Area & OrderWise Returns)
Detail:	A 'Returns' page has been added to the V2 Account Area, which is a dedicated area to make returns for recent items and to keep track of outstanding or completed returns.

V2 Account – Order Approval Improvements

OrderWise Ref:	59270
Menu Option:	Admin | Configuration | Translations
	• Order_approval_decline_details_label
	• Order_approval_confirm
	• Approve Orders Table > placed_by
Status:	Enhancement
Platform:	Trade Portal & Layout Editor
Licensed Feature:	Yes (V2 Account Area)
Detail:	The appearance of the Approve Orders page has been improved when the V2 account area is enabled. Text within this page can be updated by using the above translations.

Limit Countries Available in Despatch

OrderWise Ref:	56297
Menu Option:	Admin | Settings | Checkout & Basket | Delivery
	• Allow Order Placement If No Applicable Delivery Methods Available
Status:	New Development
Platform:	Trade Portal & Layout Editor
Licensed Feature:	No
Detail:	When adding/editing a delivery address, using the delivery calculator or selecting an address during checkout, with the above setting disabled, the list of available countries will only display countries that are enabled and have an active delivery method with delivery rates set against them.

'Active' Column Indicates if Main Category is Disabled

OrderWise Ref:	60147
Menu Option:	Admin | Products | All Products
	Admin | Products | All Products | [View]
	• Enabled
	• Main Category Enabled
	• Purchasing Enabled
	Admin | Products | Categories
	Admin | Products | Categories | [View]
	• Enabled
Status:	New Development
Platform:	Trade Portal & Layout Editor
Licensed Feature:	No
Detail:	When hovering over an icon in the 'Active' column on the All Products page, the tooltip will indicate if the product and/or main category is disabled. This data is also specified by the 'Enabled' and 'Main Category Enabled' fields when viewing a product. The 'Purchasing Disabled' field has been renamed to 'Purchasing Enabled' and specifies if purchasing is enabled for a product. The Categories page also has an 'Active' column which indicates if each category is enabled. The same data is specified by the 'Enabled' field when viewing a category.
