

OrderWise Store EPOS Standard Layouts (Normal Item)

Version 19.8 - Current

These are the standard Store EPOS related layouts within OrderWise Business Management software. This is not an exhaustive list but are the typical layouts used within this area of the software. Please note, there are restrictions on whether certain elements of these layouts can be removed or edited due to EPOS and Credit Card Processing Integration restrictions. Any changes to these layouts should be discussed with your Project Manager or Business Consultant first.

The examples included are:

- Sales Receipt
- Gift Card Balance Receipt
- Gift Receipt
- Z Read Receipt
- Parked Order Receipt

Your company logo and contact details will replace the Airbox details shown on these examples.

If you require different information or designs than the example included or require specific layout documents that are not included in these examples then please contact us to discuss this.
